

# INFOCUS® x1™ MULTI-USE PERFORMANCE

## WHERE BUSINESS AND ENTERTAINMENT CONVERGE

InFocus X1 marks the spot where work and fun meet. Where business tools and home entertainment options converge into a projector of exceptional quality. At work. At home. Wherever you are.

### UNPRECEDENTED EASE

Imagine. A projector that works the way you do. InFocus ProjectAbility™ makes projecting easier than it's ever been—from setup, use, options, storage, and management. Exclusively from InFocus.

**InFocus®**

### FROM WORK TO FUN

#### — DIGITAL VIDEO QUALITY.

With the InFocus X1, you can enjoy crisp images and full color with the latest digital processing technology (DLP™) from Texas Instruments® and DCDi™ video processing by Faroudja for an amazing 2000:1 contrast ratio.

#### — INCREDIBLE BRILLIANCE.

The X1 delivers superior brightness in almost any environment a powerful zoom lens fills your screen or wall, all with 1100 lumens with an incredible 4000 hour lamp life.

#### — INPUT POSSIBILITIES.

Hook up your laptop, PDA, DVD player, cable or satellite TV system, digital camera, or game consoles.

#### — REVOLUTIONARY FEATURE-TO-VALUE RATIO.

InFocus innovation enables this high-end professional package to be available to all users, at home or at work, at a great price.

## WORKS WEEKENDS

Introducing the first digital projector designed to unite professional quality technology with business and lifestyle functions. The InFocus X1 projects a professional quality image whether you're in the meeting room or living room.

The perfect lifestyle projector.

At home...

...or at work.

Instant home entertainment.

### — SERIOUS IMAGE QUALITY.

Going for incredible images? Get to know the technology inside the X1—Digital Light Processing (DLP™) technology from Texas Instruments. It's the world's only all-digital display solution. Based on a unique, fast, digital, reflective semiconductor called the Digital Micromirror Device, or DMD, DLP™ projects large, high-contrast images with unmatched color fidelity and consistency. With Faroudja DCDi™ processing, each image is recreated with maximum fidelity, so you enjoy clear, sharp pictures and brilliant colors. And its wide-screen capability lets you enjoy amazing video performance in a movie-theater format.

### — SERIOUS COMPATIBILITY.

Easy color-coded setup lets you go from meeting room to living room without missing a beat. An optical zoom lens helps to fill your screen or wall from any location. And you can count on crisp images thanks to a 2000:1 contrast ratio and 1100 lumens of brightness. Impress your business clients with brilliant presentations during the workday.

Get started right away with intuitive keypads, remote controls, and menus. Hookups are simple with color-coded connections. It's even easy to carry: at a mere 6.8 lbs/ 3.1 kg, the X1 is lightweight and super-portable. Connect two sources simultaneously for seamless switching and simple content integration.

### — SERIOUS DEPENDABILITY.

You can count on the X1's superior quality for an exceptionally long time. Its long-life lamp shines for an incredible 4000 hours. So sit back. Relax. Enjoy.

### — SERIOUS VALUE.

Never before has such a combination of image quality, dependability, and flexibility been available at such a low cost of ownership. The X1's combination of features has never been so affordable.

### — SERIOUS EASE.

Like all InFocus projectors, the X1 is designed to be easy to set up and operate. ProjectAbility™ ease begins with a simple keypad that delivers one-touch operation, so there's no need to refer to the user manual for common tasks.

Choose the exact function you need with just one touch at the top of the projector. It's all clearly labeled. Incorporating years of usability research, the ease-of-use philosophy we call ProjectAbility makes meetings shorter and presentations easier. Most of all, it gives users confidence and eliminates many distractions, so everyone can concentrate on the business at hand.

EASY, SERIOUSLY.

- 1 Active Monitor Loop-Through Output
- 2 Laptop, PDA, HDTV Input
- 3 DVD Player, Cable/ Satellite TV, VCR, Game Console, Digital Camera
- 4 Audio In
- 5 USB Control
